| Electives <sup>①</sup> .....  | 7-8                |
|   | <b>TOTAL 61-62</b> |

① Note: You will probably major in a particular math or science when you transfer to another school. We recommend that the fifth NC course and the electives be chosen from within the discipline in which you will ultimately major. Furthermore, students who will major in science when they transfer should strongly consider including chemistry and physics among their choices. Talk to your advisor for advice on the choices that best meet your academic goals.
